My Introduction

- **My name is Lakshanya.**
- **I am 11 years old.**
- **I live in UAE, Dubai.**
- **I am studying at Al Diyafah High School, Grade 6.**
- **I am in the 9th level in Clevered (AI Beginner Level 2)**
- WHAT INTERESTS ME IN AI?
AI MAKES EVERYONE'S LIVES EASIER, WHY IT INTERESTS ME BECAUSE IT HELPS A LOT OF PEOPLE, WHICH MEANS I CAN USE AI TO HELP PEOPLE IN MANY WAYS...
- EXPECTATIONS FROM THE INTERNSHIP:- TO LEARN SOMETHING NEW ABOUT AI, ETC.
- HOW DO I LIKE THE OPPORTUNITY UNDER MR. KEN'S GUIDANCE:-
IT HAS BEEN AMAZING, I LEARNED A LOT FROM THE PLATFORM THAT WE ARE USING, IT IS
- VERY COMFORTABLE TO USE AND EASY TO UNDERSTAND.

Internship Journey So Far...

My Internship has been the best,

I learned a lot of new things like Speech Recognition, Listening Blocks, Pose Recognition, etc.

I like my teacher for this internship Ms. Mani she made all the new concepts crystal clear.

Project Introduction

App Chosen: Safety App (B-Safe)

Reason for choosing this Project:-

The Project helps a lot of people from the virus, It gives an alert on your phone or the device you have when you touch your face as that is where the effect of the virus starts.
